

Master List of CRDC Definitions

LEA Form Terms

Children with Disabilities (IDEA)

Refers to children with intellectual disabilities; hearing impairment, including deafness; speech or language impairment; visual impairment, including blindness; serious emotional disturbance; orthopedic impairment; autism; traumatic brain injury; developmental delay; other health impairment; specific learning disability; deaf-blindness; or multiple disabilities and who, by reason thereof, receive special education and related services under the Individuals with Disabilities Education Act according to an Individualized Education Program, Individual Family Service Plan, or service plan.

Civil Rights Coordinator(s)

Is an individual who is appointed by the LEA to coordinate compliance with civil rights laws, including investigations of complaints alleging discrimination on a particular basis.

Desegregation Order Or Plan

Is an order or plan: (1) that has been ordered by, submitted to, or entered into with a federal or state court; the Office for Civil Rights (OCR), U.S. Department of Education, its predecessor the Department of Health, Education, and Welfare, or another federal agency; or a state agency or official, and (2) that remedies or addresses a school district's actual or alleged segregation of students or staff on the basis of race or national origin that was found or alleged to be in violation of the U.S. Constitution, Title VI of the Civil Rights Act of 1964, and/or state constitution or other state law. A school district remains subject to such a desegregation order or plan until the court, agency, or other competent official finds that the district has satisfied its obligations and has been released from the order or plan.

Distance Education Courses

Must meet all of the following criteria: (1) be credit-granting; (2) be technology-delivered via audio, video (live or prerecorded), the Internet, or other computer-based technology (e.g., via district network); and (3) have either (a) the instructor in a different location than the students and/or (b) the course content developed in, or delivered from, a different location than that of the students.

Early Childhood

Refers to early childhood education programs and services for children birth through age 2.

Full-Day Kindergarten Program

Is a program in which a child attends school each weekday for approximately six hours or more.

Full-Day Preschool Program

Is a program that a child attends each weekday for approximately six hours or more.

Harassment Or Bullying On The Basis Of Disability

Refers to intimidation or abusive behavior toward a student based on actual or perceived disability. Harassing conduct may take many forms, including verbal acts and name-calling, as well as non-verbal behavior, such as graphic and written statements, or conduct that is physically threatening, harmful, or humiliating. The conduct can be carried out by school employees, other students, and non-employee third parties. Bullying on the basis of disability constitutes disability harassment.

Harassment Or Bullying On The Basis Of Race, Color, Or National Origin

Refers to intimidation or abusive behavior toward a student based on actual or perceived race, color, or national origin. Harassing conduct may take many forms, including verbal acts and name-calling, as well as non-verbal behavior, such as graphic and written statements, or conduct that is physically threatening, harmful or humiliating. The conduct can be carried out by school employees, other students, and non-employee third parties. Bullying on the basis of race, color, or national origin constitutes racial harassment.

Harassment Or Bullying On The Basis Of Sex

Includes sexual harassment or bullying and gender-based harassment or bullying. Sexual harassment or bullying is unwelcome conduct of a sexual nature, such as unwelcome sexual advances, requests for sexual favors, and other verbal, nonverbal, or physical conduct of a sexual nature. Gender-based harassment or bullying is nonsexual intimidation or abusive behavior toward a student based on the student's actual or perceived sex, including harassment based on gender identity, gender expression, and nonconformity with gender stereotypes. Harassing conduct may take many forms, including verbal acts and name-calling, as well as non-verbal behavior, such as graphic and written statements, or conduct that is physically threatening, harmful or humiliating. The conduct can be carried out by school employees, other students, and non-employee third parties. Both male and female students can be victims of harassment or bullying on the basis of sex, and the harasser or bully and the victim can be of the same sex. Bullying on the basis of sex constitutes sexual harassment.

High School Equivalency Exam Preparation Program

Is a program (e.g., course) designed to prepare students to be successful on state-authorized high school equivalency exams. High school equivalency exams are used to certify the high school-level academic achievement of individuals who have not received a secondary school diploma or its recognized equivalent. Upon review of exam results, an education or government agency may award a high school equivalency credential. High school equivalency exams may include (but are not limited to) the following: the General Educational Development (GED) Test, the High School Equivalency Test (HiSet) and the Test Assessing Secondary Completion (TASC).

Low Income

Is defined by the LEA, and may vary from LEA to LEA.

Non-IDEA Children

Include children without disabilities and children with disabilities who are not served under the Individuals with Disabilities Education Act (IDEA).

Non-LEA Facilities

Are non-district facilities, such as intermediate units, residential facilities, social service agencies, hospitals, and private schools.

Overall Student Enrollment (LEA)

Refers to the unduplicated student enrollment, including students both present and absent, excluding duplicate counts of students within a specific LEA or students whose membership is reported by another LEA.

Preschool

Refers to preschool programs and services for children ages 3 through 5

School

Is an institution that provides educational services and: (1) has one or more grade groups (preschool through grade 12) or is ungraded, (2) has one or more teachers, (3) is located in one or more buildings, (4) has assigned administrator(s), (5) receives public funds as its primary support, and (6) is operated by an educational agency. For the purposes of this definition, "public funds" includes federal, state, and local public funds. "Located in a building" does not preclude virtual schools since the administrators and teachers are located

in a building somewhere. An "education agency" is not limited to the state or local educational agency, but can include other agencies (e.g., corrections or health and human services) charged with providing public education services.

Title I Schools

Are schools with large concentrations of low-income students that receive Title I funds (i.e., supplemental funds under Title I of the Elementary and Secondary Education Act, as amended by the No Child Left Behind Act), to assist in meeting their students' educational goals. For an entire school to qualify for Title I funds, at least 40% of students must enroll in the free and reduced lunch program.

School Form Terms

ACT Test (ACT)

Is a nationally recognized assessment used to indicate college readiness. The ACT is sponsored by ACT, Inc.

Advanced Mathematics

Are (college-preparatory) courses that cover the following topics: trigonometry, trigonometry/algebra, trigonometry/analytic geometry, trigonometry/math analysis, analytic geometry, math analysis, math analysis/analytic geometry, probability and statistics, and precalculus.

- Trigonometry courses prepare students for eventual work in calculus, and typically include the following topics: trigonometric and circular functions; their inverses and graphs; relations among the parts of a triangle; trigonometric identities and equations; solutions of right and oblique triangles; and complex numbers.
- Analytic geometry courses include the study of the nature and intersection of lines and planes in space.
- Math analysis courses include the study of polynomial, logarithmic, exponential, and rational functions and their graphs; vectors; set theory; Boolean algebra and symbolic logic; mathematical induction; matrix algebra; sequences and series; and limits and continuity.
- Probability and statistics courses introduce the study of likely events and the analysis, interpretation, and presentation of quantitative data.
- Precalculus courses combine the study of trigonometry, elementary functions, analytic geometry, and math analysis topics as preparation for calculus.

Advanced Placement (AP)

Refers to a program, sponsored by the College Board, through which students may earn college credit and advanced college placement by successfully completing AP courses and standardized AP exams.

Advanced Placement Course (AP)

Is an advanced, college-level course designed for students who achieve a specified level of academic performance. Upon successful completion of the course and a standardized AP exam, a student may be qualified to receive college credit and/or placement into advanced college courses.

Advanced Placement (AP) Course Self-Selection

Refers to a student enrolling in any AP course offered by a school without needing a recommendation or without meeting other criteria (except for any necessary course prerequisites).

Advanced Placement (AP) Exam Qualifying Score

Is a score of 3 or higher on an AP exam. Students who earn AP exam scores of 3, 4, or 5 are generally considered to be qualified to receive college credit and/or placement into advanced courses due to the fact that their AP exam scores are equivalent to a college course score of "middle C" or above. However, the awarding of credit and placement is determined by each college or university.

Advanced Placement (AP) Mathematics Courses

Include calculus (AB and BC) and statistics.

Advanced Placement (AP) – Other Subjects

Include all AP courses other than those in mathematics and science. For example, AP computer science and AP foreign language are included in "other subjects."

Advanced Placement (AP) Science Courses

Include biology, chemistry, physics, and environmental science.

Algebra I

Is a (college-preparatory) course that includes the study of properties and operations of the real number system; evaluating rational algebraic expressions; solving and graphing first degree equations and inequalities; translating word problems into equations; operations with and factoring of polynomials; and solving simple quadratic equations. Algebra I is a foundation course leading to higher-level mathematics courses, including Geometry and Algebra II.

Algebra II

Is a (college-preparatory) course with topics that typically include field properties and theorems; set theory; operations with rational and irrational expressions; factoring of rational expressions; in-depth study of linear equations and inequalities; quadratic equations; solving systems of linear and quadratic equations; graphing of constant, linear,

and quadratic equations; properties of higher degree equations; and operations with rational and irrational exponents.

Allegation

Is a claim or assertion that someone has done something wrong or illegal, typically made without proof.

Alternative School

Is a public elementary or secondary school that addresses the needs of students that typically cannot be met in a regular school program. The school provides nontraditional education; serves as an adjunct to a regular school; and falls outside of the categories of regular education, special education, or vocational education.

Biology

Are (college-preparatory) courses designed to provide information regarding the fundamental concepts of life and life processes. These courses include (but are not restricted to) such topics as cell structure and function, general plant and animal physiology, genetics, and taxonomy.

Calculus

Is a (college-preparatory) course with topics that include the study of derivatives, differentiation, integration, the definite and indefinite integral, and applications of calculus. Typically, students have previously attained knowledge of precalculus topics (some combination of trigonometry, elementary functions, analytic geometry, and math analysis).

Certified Teacher

Has met all applicable state teacher certification requirements for a standard certificate and has a regular/standard certificate/license/endorsement issued by the state. A beginning teacher who has met the standard teacher education requirements is considered to have met state requirements even if he or she has not completed a state-required probationary period. A teacher working towards certification by way of alternative routes, or a teacher with an emergency, temporary, or provisional credential is not considered to have met state requirements.

Charter School

Is a nonsectarian public school under contract—or charter—between a public agency and groups of parents, teachers, community leaders, or others who want to create alternatives

and choice within the public school system. A charter school creates choice for parents and students within the public school system, while providing a system of accountability for student achievement. In exchange for increased accountability, a charter school is given expanded flexibility with respect to select statutory and regulatory requirements.

Chemistry

Are (college-preparatory) courses that involve studying the composition, properties, and reactions of substances. These courses typically explore such concepts as the behaviors of solids, liquids, and gases; acid/base and oxidation/reduction reactions; and atomic structure. Chemical formulas and equations and nuclear reactions are also studied.

Chronically Absent Student

Is a student who is absent 15 or more school days during the school year. A student is absent if he or she is not physically on school grounds and is not participating in instruction or instruction-related activities at an approved off-grounds location for at least half the school day. Each day that a student is absent for 50 percent or more of the school day should be counted. Any day that a student is absent for less than 50 percent of the school day should not be counted. The number of absences is based on the total number of school days absent. Chronically absent students include students who are absent for any reason (e.g., illness, suspension, the need to care for a family member), regardless of whether absences are excused or unexcused.

Corporal Punishment

Refers to paddling, spanking, or other forms of physical punishment imposed on a child.

Credit Recovery Programs

Are programs (including courses or other instruction) that aim to help schools graduate more students by giving students who have fallen behind the chance to "recover" credits through a multitude of different strategies, including online. Different programs allow students to work on their credit recovery classes over the summer, on school breaks, after school, on weekends, at home on their own, at night in school computer labs, or even during the school day.

Current School Year Teachers

Are teachers employed at the school in the current school year. These teachers may include teachers employed at the school in the previous school year.

Distance Education School

Is a public school that offers only instruction in which students and teachers are separated by time and/or location, and interaction occurs via computers and/or telecommunications technologies. A virtual school generally does not have a physical facility that allows students to attend classes on site.

Dual Enrollment/Dual Credit Programs

Provide opportunities for high school students to take college-level courses offered by colleges, and earn concurrent credit toward a high school diploma and a college degree while still in high school. These programs are for high school-enrolled students who are academically prepared to enroll in college and are interested in taking on additional coursework. For example, students who want to study subjects not offered at their high school may seek supplemental education at colleges nearby. Dual enrollment/dual credit programs do not include the Advanced Placement (AP) program or the International Baccalaureate Diploma Programme.

Expulsion Under Zero Tolerance Policies

Refers to an action taken by the local educational agency of removing a child from his/her regular school for the remainder of the school year or longer because of zero-tolerance policies. A zero tolerance policy is a policy that results in mandatory expulsion of any student who commits one or more specified offenses (e.g., offenses involving guns, or other weapons, or violence, or similar factors, or combinations of these factors). A policy is considered "zero tolerance" even if there are some exceptions to the mandatory aspect of the expulsion, such as allowing the chief administering officer of a local educational agency to modify the expulsion on a case-by-case basis.

Expulsion With Educational Services

Refers to an action taken by the local educational agency of removing a child from his/her regular school for disciplinary purposes, and providing educational services to the child (e.g., school-provided at home instruction or tutoring; transfer to an alternative school) for the remainder of the school year (or longer) in accordance with local educational agency policy. Expulsion with educational services also includes removals resulting from violations of the Gun Free Schools Act that are modified to less than 365 days.

Expulsion Without Educational Services

Refers to an action taken by the local educational agency of removing a child from his/her regular school for disciplinary purposes, and not providing educational services to the child

for the remainder of the school year or longer in accordance with local educational agency policy. Expulsion without services also includes removals resulting from violations of the Gun Free Schools Act that are modified to less than 365 days.

Fall Snapshot Date

Refers to October 1 (or the closest school day to October 1).

Firearm Or Explosive Device

Refers to any weapon that is designed to (or may readily be converted to) expel a projectile by the action of an explosive. This includes guns, bombs, grenades, mines, rockets, missiles, pipe bombs, or similar devices designed to explode and capable of causing bodily harm or property damage.

Full-Time Equivalent (FTE)

A unit that indicates the workload of an employed person in a way that makes workloads comparable across various contexts. FTE is used to measure a worker's service in a place (e.g., school). FTE is the number of total hours the person is expected to work divided by the maximum number of compensable hours in a full-time schedule. An FTE of 1.00 means that the person is equivalent to a full-time worker, while an FTE of 0.50 signals that the worker is only half-time.

Geometry

Is a (college-preparatory) course that typically includes topics such as properties of plane and solid figures; deductive methods of reasoning and use of logic; geometry as an axiomatic system including the study of postulates, theorems, and formal proofs; concepts of congruence, similarity, parallelism, perpendicularity, and proportion; and rules of angle measurement in triangles. Geometry is considered a prerequisite for Algebra II.

Gifted And Talented Programs

Are programs during regular school hours that provide special educational opportunities including accelerated promotion through grades and classes and an enriched curriculum for students who are endowed with a high degree of mental ability or who demonstrate unusual physical coordination, creativity, interest, or talent.

Harassment Or Bullying On The Basis Of Disability

Refers to intimidation or abusive behavior toward a student based on actual or perceived disability. Harassing conduct may take many forms, including verbal acts and name-calling, as

well as non-verbal behavior, such as graphic and written statements, or conduct that is physically threatening, harmful or humiliating. The conduct can be carried out by school employees, other students, and non-employee third parties. Bullying on the basis of disability constitutes disability harassment.

Harassment Or Bullying On The Basis Of Race, Color, Or National Origin

Refers to intimidation or abusive behavior toward a student based on actual or perceived race, color, or national origin. Harassing conduct may take many forms, including verbal acts and name-calling, as well as non-verbal behavior, such as graphic and written statements, or conduct that is physically threatening, harmful or humiliating. The conduct can be carried out by school employees, other students, and non-employee third parties. Bullying on the basis of race, color, or national origin constitutes racial harassment.

Harassment Or Bullying On The Basis Of Religion

Refers to intimidation or abusive behavior toward a student based on actual or perceived religion. Harassing conduct may take many forms, including verbal acts and name-calling, as well as non-verbal behavior, such as graphic and written statements, or conduct that is physically threatening, harmful or humiliating. The conduct can be carried out by school employees, other students, and non-employee third parties. Bullying on the basis of religion constitutes religious harassment.

Harassment Or Bullying On The Basis Of Sex

Includes sexual harassment or bullying and gender-based harassment or bullying. Sexual harassment or bullying is unwelcome conduct of a sexual nature, such as unwelcome sexual advances, requests for sexual favors, and other verbal, nonverbal, or physical conduct of a sexual nature. Gender-based harassment or bullying is nonsexual intimidation or abusive behavior toward a student based on the student's actual or perceived sex, including harassment based on gender identity, gender expression, and nonconformity with gender stereotypes. Harassing conduct may take many forms, including verbal acts and name-calling, as well as non-verbal behavior, such as graphic and written statements, or conduct that is physically threatening, harmful or humiliating. The conduct can be carried out by school employees, other students, and non-employee third parties. Both male and female students can be victims of harassment or bullying on the basis of sex, and the harasser or bully and the victim can be of the same sex. Bullying on the basis of sex constitutes sexual harassment.

Harassment Or Bullying On The Basis Of Sexual Orientation

Refers to intimidation or abusive behavior toward a student based on actual or perceived sexual orientation. Harassing conduct may take many forms, including verbal acts and name-calling, as well as non-verbal behavior, such as graphic and written statements, or conduct that is physically threatening, harmful or humiliating. The conduct can be carried out by school employees, other students, and non-employee third parties. Bullying on the basis of sexual orientation constitutes sexual orientation harassment.

IDEA Students

Are students with disabilities served under the Individuals with Disabilities Education Act.

Incident

Refers to a specific criminal act involving one or more victims and offenders. For example, if two students are robbed without a weapon, at the same time and place, this is classified as two robbery victimizations but only one robbery without a weapon incident.

In-School Suspension

Is an instance in which a child is temporarily removed from his or her regular classroom(s) for at least half a day for disciplinary purposes, but remains under the direct supervision of school personnel. Direct supervision means school personnel are physically in the same location as students under their supervision.

Instructional Aide Expenditures

Are associated with activities dealing directly with the interaction between teachers and students.

Instructional Aides

Includes aides or assistants of any type who assist in the instructional process.

International Baccalaureate (IB) Diploma Programme

Is sponsored by the International Baccalaureate Organization, and is designed as an academically challenging and balanced program of education with final examinations that prepares students, usually aged 16 to 19, for success at university and life beyond. The Programme is typically taught over two years. IB Diploma Programme students study six courses at higher level or standard level. Students must choose one subject from each of groups 1 to 5, thus ensuring breadth of experience in languages, social studies, the

experimental sciences and mathematics. The sixth subject may be an arts subject chosen from group 6, or the student may choose another subject from groups 1 to 5. Additionally, IB Diploma Programme students must meet three core requirements: the extended essay, the theory of knowledge course, and a creativity/action/service experience.

Interscholastic Athletics Sports

Refers to distinct sports, such as football, basketball, soccer, swimming, and tennis. Intramural sports and sideline cheerleading are not considered interscholastic athletics sports.

Interscholastic Athletics Sports Team Participant

Refers to a student who participates in an interscholastic athletics sports team (e.g., a student who participates in a freshman soccer team).

Interscholastic Athletics Sports Teams

Refers to the competitive-level teams of each interscholastic athletics sport, such as freshman team, junior varsity team, and varsity team.

Justice Facility

Is a public or private facility that confines pre-adjudicated/pre-convicted individuals, post-adjudicated/post-convicted individuals, or both. Justice facilities include short-term (90 calendar days or less) and long-term (more than 90 calendar days) facilities, such as correctional facilities, detention centers, jails, and prisons. These facilities may confine juveniles (individuals typically under 18 years of age), adults (individuals typically 18 years of age and older), or both. Some states and jurisdictions include individuals younger than age 18 as adults due to statute/legislation and/or justice procedures. For the purposes of the CRDC, only individuals up to 21 years of age who are confined in justice facilities are of interest.

Justice Facility Educational Program

Is a program for children and youth (not beyond grade 12) served at a justice facility that consists of credit-granting courses and classroom instruction in at minimum, basic school subjects, such as reading, English language arts, and mathematics. Classroom instruction in vocationally-oriented subjects may also be considered part of the program. Neither the manufacture of goods within the facility nor activities related to facility maintenance are considered classroom instruction. Credit-granting refers to any course that results in a letter

grade or a pass/fail designation and is required of a student to move to the next grade level or complete a program of study and receive a high school diploma.

Length Of Time

Refers to the cumulative number of calendar days that the student participated in the educational program. For example, a student in the facility who participated in the educational program for 10 days, left the facility, and then re-entered the facility and participated in the educational program for an additional 10 days during the same regular school year would be counted as a student with 20 cumulative days.

LEP Programs

Are English language instruction educational programs designed for LEP students.

Limited English Proficient (Or English Language Learner)

Is defined in coordination with the state's definition based on Title IX of ESEA. Limited English Proficient (LEP) students are students:

- (A) who are ages 3 through 21;
- (B) who are enrolled or preparing to enroll in an elementary school or secondary school;
- (C) (who are i, ii, or iii)
 - (i) who were not born in the United States or whose native languages are languages other than English;
 - (ii) (who are I and II)
 - (I) who are a Native American or Alaska Native, or a native resident of the outlying areas; and
 - (II) who come from an environment where languages other than English have a significant impact on their level of language proficiency; or
 - (iii) who are migratory, whose native languages are languages other than English, and who come from an environment where languages other than English are dominant; and
- (D) whose difficulties in speaking, reading, writing, or understanding the English language may be sufficient to deny the individuals
 - (i) the ability to meet the state's proficient level of achievement on state assessments described in section 1111(b)(3)[of ESEA, 20 U.S.C. 6311(b)(3)]; or
 - (ii) the ability to successfully achieve in classrooms where the language of instruction is

English; or
(iii) the opportunity to participate fully in society.

Note - To be classified as limited English proficient, an individual must be A, B, C, and D. For C, an individual can be i, ii, or iii. If C-ii, the individual must be I and II. For D, an individual must be denied D-i, D- ii, or D-iii.

Magnet Program or School

Magnet program is a program within a public school that offers a special curriculum capable of attracting substantial numbers of students of different racial/ethnic backgrounds, which may also reduce, prevent, or eliminate minority group isolation. The program may be designed to provide an academic or social focus on a particular theme (e.g., science/math, performing arts, gifted/talented, or foreign language). A public school is considered a magnet school if it operates a magnet program for all students or some students within the school.

Mechanical Restraint

Refers to the use of any device or equipment to restrict a student's freedom of movement. The term does not include devices implemented by trained school personnel, or utilized by a student that have been prescribed by an appropriate medical or related services professional and are used for the specific and approved purposes for which such devices were designed, such as:

- Adaptive devices or mechanical supports used to achieve proper body position, balance, or alignment to allow greater freedom of mobility than would be possible without the use of such devices or mechanical supports;
- Vehicle safety restraints when used as intended during the transport of a student in a moving vehicle;
- Restraints for medical immobilization; or
- Orthopedically prescribed devices that permit a student to participate in activities without risk of harm.

Non-IDEA Children

Refers to children without disabilities and children with disabilities who are not served under the Individuals with Disabilities Education Act.

Non-IDEA Students

Refers to students without disabilities and students with disabilities served solely under Section 504 of the Rehabilitation Act.

Non-Personnel Expenditures

May include (but is not limited to) the following types of expenditures: Professional development for teachers and other staff; instructional materials and supplies; computers, software, and other technology; contracted services such as distance learning services; and library books and media center learning materials.

Nurse

Is a qualified health care professional who addresses the health needs of students. The provider meets the state standards and requirements for a nurse. Nurses include school nurses.

Out-Of-School Suspension

For students with disabilities served under IDEA: Out-of-school suspension is an instance in which a child is temporarily removed from his/her regular school for at least half a day for disciplinary purposes to another setting (e.g., home, behavior center). Out-of-school suspensions include both removals in which no individualized family service plan (IFSP) or individualized education plan (IEP) services are provided because the removal is 10 days or less as well as removals in which the child continues to receive services according to his/her IFSP or IEP.

For students without disabilities and students with disabilities served solely under Section 504 of the Rehabilitation Act: Out-of-school suspension is an instance in which a child is temporarily removed from his/her regular school for at least half a day (but less than the remainder of the school year) for disciplinary purposes to another setting (e.g., home, behavior center). Out-of-school suspensions include removals in which no educational services are provided, and removals in which educational services are provided (e.g., school-provided at home instruction or tutoring).

Physical Attack Or Fight

Refers to an actual and intentional touching or striking of another person against his/her will, or the intentional causing of bodily harm to an individual. Physical attack or fight does not include rape.

Physical Restraint

Refers to a personal restriction that immobilizes or reduces the ability of a student to move his or her torso, arms, legs, or head freely. The term physical restraint does not include a physical escort. Physical escort means a temporary touching or holding of the hand, wrist, arm, shoulder or back for the purpose of inducing a student who is acting out to walk to a safe location.

Physics

Are (college-preparatory) courses that involve the study of the forces and laws of nature affecting matter, such as equilibrium, motion, momentum, and the relationships between matter and energy. The study of physics includes examination of sound, light, and magnetic and electric phenomena.

Post-Adjudication Facility

Confines post-adjudicated juveniles. A post-adjudicated juvenile is an individual (typically under 18 years of age) who has been charged and determined to have committed the crime. Adjudication is the court process that determines (judges) if the juvenile committed the act for which he/she is charged.

Post-Conviction Facility

Confines post-convicted adults. A post-convicted adult is an individual (typically 18 years of age or older) who has been charged and determined to have committed the crime.

Pre-Adjudication Facility

Confines pre-adjudicated juveniles. A pre-adjudicated juvenile is an individual (typically under 18 years of age) who has been charged, but who has not participated in the court process that determines whether he/she has committed the crime. Adjudication is the court process that determines (judges) if the juvenile committed the act for which he/she is charged.

Pre-Conviction Facility

Confines pre-convicted adults. A pre-convicted adult is an individual (typically 18 years of age or older) who has been charged, but who has not participated in the court process that determines (judges) if he/she committed the act for which he/she is charged.

Preschool

Refers to preschool programs and services for children ages 3 through 5.

Preschool Expulsion

Refers to the permanent termination of a preschool child's participation in a preschool program at a school or facility for disciplinary purposes. A preschool child who is transitioned directly from the classroom to a different setting deemed to be more appropriate for the child (e.g., special education, transitional classroom, or therapeutic preschool program) is not considered an expelled preschooler.

Previous School Year Teachers

Are teachers employed at the school in the previous school year. These teachers are a subset of teachers employed at the school in the current school year.

Psychologist

Is a licensed professional who evaluates and analyzes students' behavior by measuring and interpreting their intellectual, emotional, and social development, and diagnosing their educational and personal problems. A psychologist may diagnose and treat mental disorders and learning disabilities. A psychologist may also diagnose and treat cognitive, behavioral, and emotional problems using individual, child, family, and group therapies. Psychologists include school psychologists.

Rape

Refers to forced sexual intercourse (vaginal, anal, or oral penetration). This includes sodomy and penetration with a foreign object. Both male and female students can be victims of rape. Rape is not defined as a physical attack or fight.

Referral To Law Enforcement

Is an action by which a student is reported to any law enforcement agency or official, including a school police unit, for an incident that occurs on school grounds, during school-related events, or while taking school transportation, regardless of whether official action is taken. Citations, tickets, court referrals, and school-related arrests are considered referrals to law enforcement.

Regular Educational Program

Usually begins in the late summer or early fall and ends in late spring or early summer. On average, a regular educational program operates for 180 days. A year-round educational program usually operates for a 12-month period.

Regular School

Is a public elementary or secondary school that does not focus primarily on alternative education, special education, or vocational education, although it may provide these programs in addition to a regular curriculum.

Robbery

Is taking or attempting to take anything of value that is owned by another person or organization, under confrontational circumstances by force or threat of force or violence and/or by putting the victim in fear. A key difference between robbery and theft/larceny is that robbery involves threat or assault.

SAT Reasoning Test (SAT)

Is a nationally recognized assessment used to indicate college readiness. The SAT (formerly the Scholastic Aptitude Test) is sponsored by the College Board.

School Administration Staff

Includes principals and other staff involved in school administration.

School Administration Staff Expenditures

Are associated with activities related to overall administration for a school.

School Counselor

Is a professional staff member assigned specific duties and school time for any of the following activities: counseling with students and parents, consulting with other staff members on learning problems, evaluating student abilities, assisting students in making education and career choices, assisting students in personal and social development, providing referral assistance, and/or working with other staff members in planning and conducting guidance programs for students.

School Year

School year includes summer.

School-Related Arrest

Refers to an arrest of a student for any activity conducted on school grounds, during off-campus school activities (including while taking school transportation), or due to a referral by any school official. All school-related arrests are considered referrals to law enforcement.

Seclusion

Refers to the involuntary confinement of a student alone in a room or area from which the student is physically prevented from leaving. It does not include a timeout, which is a behavior management technique that is part of an approved program, involves the monitored separation of the student in a non-locked setting, and is implemented for the purpose of calming.

Security Guard

Is an individual who guards, patrols and/or monitors the school premises to prevent theft, violence, and/or infraction of rules. A security guard may provide protection to individuals, and may operate x-ray and metal detector equipment. A security guard is not a sworn law enforcement officer.

Sexual Assault

Is an incident that includes threatened rape, fondling, indecent liberties, or child molestation. Both male and female students can be victims of sexual assault. Classification of these incidents should take into consideration the age and developmentally appropriate behavior of the offender(s).

Single-Sex Academic Class

Refers to an academic class in a co-educational school where only male or only female students are permitted to take the class. A class should be counted as a single-sex class only if it excludes students of one sex from enrolling or otherwise participating in that class because of their sex. A class is not considered single-sex so long as it is open to members of both sexes, even if students of only one sex, or a disproportionate number of students of one sex, enroll.

Social Worker

Provides social services and assistance to improve the social and psychological functioning of children and their families and to maximize the family well-being and the academic functioning of the children. Typical responsibilities include: 1) preparing a social or developmental history on a student with disabilities; 2) group and individual counseling with a student and his or her family; 3) working with those problems in a student's living situation (home, school, and community) that affect adjustment in school; and 4) mobilizing school and community resources in order to enable the student to receive maximum benefit from his or her educational program. The provider of these services is certified, licensed, or otherwise a qualified professional. Social workers include school social workers.

Special Education School

Is a public elementary or secondary school that focuses primarily on serving the needs of students with disabilities under IDEA or section 504 of the Rehabilitation Act.

Student Enrollment

Refers to the unduplicated count of students on the rolls of the school. The unduplicated count includes students both present and absent and excludes duplicate counts of students within a specific school or students whose membership is reported by another school. Students should be counted in the school where they actually physically attend for more than 50% of the school day. For distance education, students must be counted in the school from which they receive more than 50% of their coursework.

Student Retained

Refers to a student who is not promoted to the next grade prior to the beginning of the following school year. Students are not considered retained if they can proceed to the next grade because they successfully completed a summer school program or for a similar reason. At the high school level, a student who has not accumulated enough credits to be classified as being in the next grade is considered retained.

Student With Disabilities
